Crime Data

Local Crime Data

[Usage summary](#) [Usage detailed](#) [Usage delivery](#) [Crime data](#)

To support keeping children and young people safe, we are highlighting crime types that have taken place in your school's area. Please use this as a positive tool to create a responsive curriculum based on what is happening in your school's locality.

The below information shows you the latest crimes that have taken place in the school's ward area, between the date range specified.

You can see the top 3 crimes in the school's ward area for under 12s and under 18s victims and suspects. If you select the blue links, you can view relevant lessons for that crime type.
